Mr. Sanjit Shah  
Sumil Shah Foundation for Children  
P.O. Box 59  
Cabin John, MD 20818

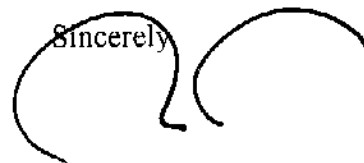

Dear Mr. Shah:

Thank you for your recent contribution on behalf of the Sumil Shah Foundation for Children and in support of CARE's response to the devastating earthquake in Pakistan and India. Your compassion is helping us to provide life-saving aid and hope to many people in need.

At least five million people were affected, and more than three million have been left homeless as the harsh winter begins to set in. In Pakistan, CARE is working with the government and local organizations to distribute tents, blankets, plastic sheeting and hygiene kits to families in the most severely affected communities. In India, CARE is also providing emergency assistance to people in the areas worst hit by the quake. We aim not only to reach families with immediate aid, but also to help restore livelihoods through cash-for-work programs.

The support of donors like you enables CARE to assist the men, women and children who were most vulnerable to this emergency – and then to continue to work toward creating lasting solutions to poverty in Pakistan and India.

Warm regards.

Sincerely  

Peter D. Bell
